

Single Tier Decorative Cap

Enhance Your Signage with Impact LED's Single Tier Decorative Cap

Give your signage a polished, professional look with our Single Tier Decorative Cap. Designed for both style and function, this sleek trim adds a refined touch to any display.

Standing 1.5" tall, the trim extends 1.5" beyond the light box's vertical measurement, creating a bold, finished edge that enhances visibility and appeal.

Upgrade your sign with a clean, sophisticated border—only from Impact LED.
