

Warranty

Impact LED, subsequently referred to as "Impact", warrants to the Original Purchaser, subsequently referred to as the "Customer" its LED Displays for a period of five (5) years.

Failed electronic parts or assemblies will be repaired, exchanged or replaced for five (5) years from date of shipment. Telephone support is provided as needed with the Customer's staff technician or End User. On-site labor is not included unless otherwise stated on the face of this Agreement and, unless otherwise stated, any on-site service required by Impact's factory technician or a local Authorized Service Provider is billed based on an agreed upon written quote. After 5 years, parts may be purchased. Impact guarantees it will hold parts for at least 10 years beyond said part's discontinuation date. Under this warranty, Impact, at its sole discretion, will provide on-site color and/or brightness calibration services if Impact determines that an unacceptable color or brightness imbalance is present within 90 days from the date of shipment.

Impact will, at its option, repair or replace failed pixels, provided the display is installed with the recommended ventilation system for its location, on-site labor is not included. The definition of pixel failure is when the pixel will no longer emit light. Pixel repair will be performed at the Impact Repair Center. All light emitting diodes (LED) have an inherent tendency to change in color and light intensity proportional to period of use and usage characteristics, including image retention based on consistent use of similar colors and image patterns. These are universal characteristics and not product defects. Replacement of pixels so affected is not included under this Limited Warranty.

This warranty assigns, to the extent assignable, manufacturers warranties for all third-party communication devices such as wireless devices and modems. Impact LED will facilitate the replacement and return of such components to the manufacturer if they are still within the manufacturer's warranty. Local site interference or obstructions may cause intermittent or complete failure of radio performance. This Warranty does not include the provision of replacement communication methods (such as wire, fiber optic cable, conduit, trenching or other solutions).

Impact provides up to \$5,000 of insurance deductible reimbursement for instances of vandalism or lightning damage. This warranty provision may be enacted no more than once for vandalism and once for lightning during the 5-year warranty protection period. Customers must engage Impact LED to repair or replace the affected sign. Reimbursement of the Customer or End User's deductible will be paid once repair or replacement has been completed by Impact LED.

Warranty

The Customer is responsible for routine maintenance, and preventative maintenance functions as well as adequate ventilation and grounding - each display must be on a dedicated circuit. Failure by the Customer to properly maintain the LED display will void coverage for affected components. The Customer shall notify Impact immediately of equipment failure and allow Impact full and free access to the equipment when required. Waiver of liability or other restriction shall not be imposed as a site access requirement. Also, the Customer will allow Impact to use necessary machines, communication facilities and other equipment at no charge.

Throughout the term of this Warranty, The customer shall maintain site conditions within common environmental ranges of all system devices as specified by Impact. Warranty does not cover electrical work external to the equipment, accessories, alterations, attachments, or other devices not furnished by Impact unless specifically noted on the face of this Agreement. Batteries and metallic or fiber optic data cables are not covered unless specified on the face of this Agreement. Impact will provide and be responsible for the cost of shipping parts from Impact to the Customer. The Customer will provide and be responsible for the cost of shipping parts to Impact. This Warranty does not apply to software. Software is covered by a separate Agreement, which appears in the seller's software license agreement, unless specified on the face of this Agreement. All items returned to Impact must have a Return Materials Authorization (RMA) number and be returned within 21 days of delivery of the replacement parts. For exchange items, the number is included with the shipment of the exchange unit.

The Warranty does not cover normal wear and tear; inadequate or improper power; improper care or abuse of equipment; unauthorized attempt to repair or modify the equipment; failures caused by environmental conditions beyond Impact's control such as corrosives and metallic pollutants; acts of God, nature, terrorism or war. Warranty claims must be registered with the Company within thirty (30) days of damage or malfunction. To register a claim, the Customer must contact the Company at the location specified below and provide (a) his or her name and any other required contact Information, (b) Product and purchase descriptions, and (c) the nature of the defect. Impact reserves the right (in its sole discretion) to require proof of original purchase (e.g. paid invoice, receipt) and to visit the site of the installation or to require documentation of the claim before assuming any responsibility under the provisions of this warranty.

Warranty
